INFORMATIONAL LETTER #83-2

DATE: January 10, 1983

TO: Administrators
All Idaho Health Care Facilities

FROM: Jean Schoonover, R.N., Manager
Idaho Facility Standards Program

SUBJECT: Facility Licenses

In order to streamline our process of issuing annual licenses and to improve our efficiency, beginning January 1, 1983, all licenses (except provisional) will be issued on an annual basis for the twelve-month period of January 1 through December 31.

Between now and January 1, 1984, many of you will be receiving licenses which will be valid for a period less than twelve months. Then beginning January 1, 1984, all licenses, except provisional, will be valid for twelve months.

If you have any questions regarding this change or how it may affect your licensure status, please contact Loyal Perry at 334-4167 in Boise.
